PHOTO-VIDEO-ALBUM-ORGANIZER v3.0

By Vlad Feldfix

Program Description

This is a quick and easy app to help you transfer media from your camera device to your PC in an organized manner.

Using Instructions:

1. Go to settings:
 - 1.1. Insert the location of the unsorted media (new files). E.g.:
D:\Users\me\Desktop\New folder
 - 1.2. Insert the location of your photo album
 - 1.3. Insert the location of your video album
2. Click on RUN
